What is Emerge?

- A diverse community of aspiring leaders in the Greater Austin-area, representing a wide array of ethnicities, industries, locations, and viewpoints
- A forum for individual learning, guided by experienced practitioners, designed for self-discovery, and enriched through interactive dialogue
- A lab for leadership development where skills are taught, trained, and put into practice through class discussions, team activities, and community involvement
- An entry point into an invaluable network – as an Emerge graduate, you will gain access to a robust community of 2,800+ Leadership Austin alumni

Who Should Apply?

- Rising leaders in their profession and community who are eager to grow
- Dedicated volunteers for non-profit organizations and civic activities
- Community-minded citizens who aspire to decision-making roles in organizations

In their own words...

“Emerge connected me with relationships that continue to challenge me to live into my values. That is a beautiful community in which to grow.”

AJ Crabb, Emerge 11 - Class 2018

“Emerge exceeded all expectations in creating connected community among established and emerging leaders across non-profit, government, educational, and for-profit communities. This potent combination was a powerful recipe for deepening my own relationship to leadership.”

Melita Noel, Emerge 11 - Class 2018

“Emerge taught me about social responsibility beyond my sector. It opened my eyes to high-impact and meaningful work that is transforming the current and future landscape of Austin.”

Charles Lu, Emerge 7 - Class 2014
