Leadership Lending Library!

Bring one, take one! Join us in honoring the transformative power of knowledge and the spirit of lifelong learning. Check out the Leadership Library, where we celebrate the wisdom of the past and the possibilities of the future! Bring in an old leadership book that has inspired you and trade it for another to expand your leadership journey. (Books may be new or used.)

Chance to win a Golden Ticket!

Each attendee will receive a raffle ticket for a chance to win a Golden Ticket. A Golden Ticket gets you access to an [exclusive Walk and Talk with a preeminent community leader](#) for 30-45 minutes (arranged after the event). A "Walk and Talk" is a Leadership

Austin tradition where folks gather one-on-one for a stroll or sit somewhere quiet outside of the traditional office setting. This is a more informal and active way to connect for meaningful conversation. What makes a Walk and Talk special is that the two of you talk about something that is important to you, something that enables you to get to know each other on a deeper level.

Later that evening, 120 [Essential](#) and [Emerge](#) leaders will graduate. This is a closed event for the cohorts and personal guests.
