

BEST CLASS EVER TROPHY RULES

Below are the new rules approved and adopted by the Alumni Committee:

1. Each alumnus has the possibility of gaining up to 5 points for their class - these correspond to the actions that we currently track. An alumnus gains 1 point for doing one of the following. You do not have to do all 5, simply do 5 of these options.
 - a. Attend an alumni-only event,
 - b. Attend a general Leadership Austin event
 - c. Volunteer - one shift is required (typically 3 hours)
 - d. Donate - no dollar amount limit
 - e. Attend a relationship event
2. Once each class total is tallied, the total will be divided by the total number of cohort members for a total percentage. Highest percentage wins. If there is a tie, it will go to the class with the greatest number of alumni engaged.
3. Staff is eligible to participate in the donation option only.
4. Any alum can track their status in their portal in the directory in real time.
5. Deadline is June 30.
