LEADERSGROUNDED

A confidential circle for leaders to reflect on the forces shaping public life and support one another in leading through them.

LeadersGrounded convenes Central Texas alumni in a small, confidential circle to reflect, recharge, and lead with courage – guided by dialogue expert Carrie Graham. Conversations are timely, candid, and rooted in respect for all viewpoints. Limited to 8 leaders, this experience is designed for depth, nuance, and meaningful exchange.

Come Frazzled. Leave Grounded.
